**The ColorView® Visualizer:**  
Design your Dream Home with the Click of a Mouse

Just look through a photo library of homes to choose one that looks most like your own. Then click on the roof to easily switch designs and see what Certainteed product looks best. You can choose from hundreds of different roofing design and color combinations, and even add roof accents in different colors. All before anyone raises a hammer.

Want to visualize different roofing styles on your own home? You can upload photos to ColorView and have them digitally replaced by one of our design professionals, or use our mode to upload and make your own photos.

Plus, you can print or share your ColorView photos with family and friends to get their feedback. Visit [colorview.certainteed.com](http://colorview.certainteed.com) and get started.
